NORTH CAROLINA CRIMINAL HISTORY INQUIRY

Upon receipt of a criminal history request, we assign a state licensed investigator to review all one hundred counties, upper/lower courts and traffic divisions. Any record found is searched in detail and printed. The investigator then cross-references the subject with the NC DOC (Probation & Parole) and the Attorney General's sex offender database. A brief investigative report is written and signed by the preparing investigator. Our current non-volume fee for this service is \$115.
